

# **“A Better Cally” PUBLIC MEETING**

**Jean Stokes Hall,  
Carnoustie Drive  
Thursday 26<sup>th</sup> July at 7pm**

This meeting has been organised by the Caledonian Ward Councillors so that members of the public can put questions and hear what the Council is doing about planning infringements up and down the Caledonian Road.

The meeting will be attended by the elected Executive Councillors for Planning, Housing and Licensing and the Council's Chief Planning Officer.

It is also an opportunity to discuss how we can all work to make the Cally a better place – with improved homes and a better range of shops and services that everyone wants.

All members of the public are welcome.
